AMADRIA PARK

A close-up, low-angle shot of a hand holding a heavy, cut-crystal tumbler glass filled with amber-colored whiskey. The glass has a thick base and vertical fluting. The hand is positioned behind the glass, with fingers visible on the left and right sides. The background is dark and out of focus, suggesting an interior setting. The lighting is warm and focused on the glass and the liquid inside.

CAPITAL

PRIVATE CLUB

Join us for an exclusive experience and enjoyment in the private club of the former bank vault.

CAPITAL PRIVATE CLUB

Capital Private Club is a unique venue **located in the former vault of a bank**, exuding both history and luxury.

The original vault doors, once guarding gold bars and cash, now conceal the finest selection of wines, whiskeys, gins, sparkling wines, and champagnes. This exclusive club is perfect for private parties, celebrations, small meetings, or business gatherings – in short, for any event that requires complete privacy and uninterrupted time.

OPENING HOURS
