On-site venues. Dalmatian Ethno Village, En Vogue Beach Club, Mediterranean Square, Gastro World and Royal Beach – each offer a unique ambience to weave their magic into your event. And it doesn't end there. Open your event to the inclusion of our surrounds, from: beaches, outdoor terraces, gardens and lawns, to walking trails and more.

Off-site venues. We partner with local and national tourism boards and county-operated venues so that you can add local and historic venues to your multi-day event program. Imagine hosting your guests in one of the best acoustic squares in Croatia. Or in an historic fortress or two. Maybe a museum, gallery or open-air venue!

Cultural experience. Elevate the cultural aspect of your event with local entertainment – singers, performers, folklore groups, heritage crafts, cooking demonstrations and more.

Banquet & gastronomy team. With no less than 40 restaurants and bars under our wing, we really know our food and beverage. Our banqueting and gastronomy team are experts in menu design and event catering, raising your MICE event to a whole new level.

Local culinary experience. Traditionally prepared regional dishes combined with cultural presentations and home-grown produce are a true representation of our Mediterranean food heritage and local culture, to the delight of our guests.

Dedicated in-house events team

Our 1,600-strong events team of experienced hospitality staff – including dedicated event and banqueting staff, skilled chefs and wait staff – provide the solid service and support you need for taking your event beyond expectations.

Leisure possibilities

On-site. Your delegates have the option to enjoy our range of on-site leisure and wellbeing amenities, from: beaches and pools to wellness and spa, sports and fitness, and shopping and entertainment – ideal for earlier arrivals or for those who extend their stay.
